Welcome to Blundell's

A very warm welcome to Blundell's. We hope you have a very good visit to the school and that you enjoy the sport and the hospitality on offer.

Watching our pupils represent their school and participate in fixtures against other schools remains one of the highlights of our weekly routine at Blundell's. Whether they are budding international athletes or those who are just playing for the sheer enjoyment of being out there with their friends, as teachers and parents it is a tremendous privilege to see children having fun and giving their all.

One of the many positives that comes out of regular competitive fixtures is that our children learn to deal with the emotions of sport: the frustration and disappointments, the delight and joy, and, of course, winning and losing. Those are wonderful life skills, and we hope that pupils learn to compete in a manner that is committed and determined, but that always remains mindful of the dignity and well-being of the opposition. Playing in the 'right' spirit involves respecting the referees and umpires, demonstrating good sportsmanship and fair play towards the opposition, and ensuring that, regardless of the outcome, everyone has a positive experience.

The way adults behave on the side of a field has a considerable bearing on the experience of the pupils on the field of play, as well as that of other spectators. We ask that when you support your children you do all you can to enhance the wonderful privilege they have when they represent their school. I wish you a very happy visit to Blundell's.

Bart Wielenga

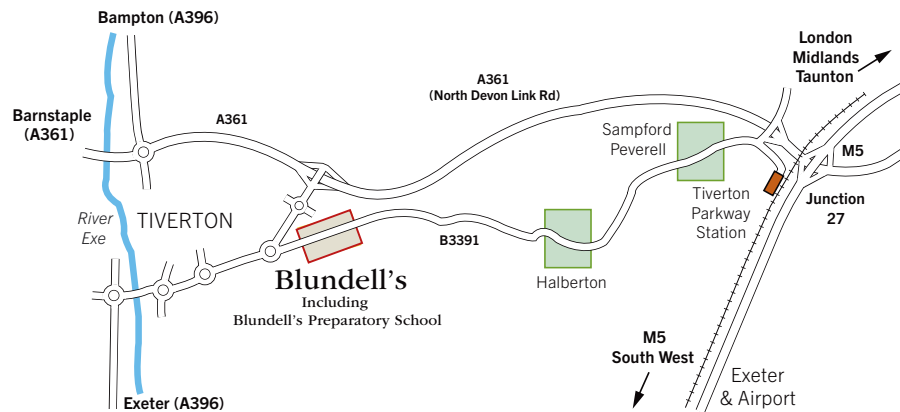

THE HEAD

Travelling to Blundell's

Blundell's is 6 minutes from Junction 27 of the M5.

Take the A361 (North Devon Link Road) towards Barnstaple.

Take the first exit signed to Tiverton (after 5 miles) and at the second roundabout take the B3391 towards Halberton.

Sport Scholarships at Blundell's

Sports Awards are available at 13+ and 16+. Applicants are considered for expertise in any sport, but greater consideration is given to rugby, cricket, hockey and athletics, netball, athletics and tennis.

Awards will be made to those who will make an active contribution to the sporting life of the School. They will be expected to be dedicated to, and to provide leadership in their sport(s). They will have regular Sports Award holders' meetings, strength and conditioning sessions and appraisals, as well as exposure to sports professionals from outside the school. They will have achieved, or be of a standard to achieve, representative honours at County, Regional or National level. It is anticipated that they will be a role model to younger pupils both on and off the 'field'.

VALUE OF SCHOLARSHIPS AND BURSARIES

Scholarship awards are up to 30% of school fees.

BURSARIES

Pupils awarded scholarships may also qualify for means tested bursaries.

For more information on Sports Awards please contact:
